Academy Security: An identification badge will be issued to you and it is to be visibly displayed at all times. (This information bulletin will serve as access authority for newly arriving students until an ID badge is issued.) You will also need to state your ID number to the monitor each time you eat in the cafeteria.

All buildings within the Academy complex are areas of controlled access. Entrance doors into the main building will be kept locked at all times except as follows: Main entrance doors will be open and monitored Monday through Friday 0700 - 1900 hours. Entry is to be through the main entrance only. In-service students may exit through either the North or South doors (adjacent to student parking lots) at the end of the training day.

In-service students have no curfew, however, after 1900 hours the ID badge must be shown to the Staff Duty Officer to gain entrance.

Any attempt to breach security by propping open doors, admitting someone to the Academy through a locked door, etc., may result in immediate dismissal from the Academy.

Dress Code: The Executive Director, through his staff, will refuse classroom/field exercise participation to any person whose dress or cleanliness reflects unfavorably upon that person's employing department, the Law Enforcement Training Board, or the staff of the Indiana Law Enforcement Academy.

Clothing worn must be clean, in good repair, and appropriate for the type of training being presented or received. Shorts, cut-offs, shirts without collars (T-shirts), and sandals are inappropriate during the normal classroom day and in the cafeteria. To avoid embarrassment we ask that you use good judgment in what you wear while at the Academy.

Firearms: No firearm of any type is to be taken into student living quarters. All students in residence will be issued a key to a gun locker for securing firearms. The gun lockers are located in the hallway just south of Quartermaster. Commuter and one-day seminar students are permitted to wear their firearm in classrooms, cafeteria and all common areas. You are asked to notify your course OIC if you are not going to eat so food will not be wasted. **PLEASE NOTE: due to the mandatory cut backs for the ILEA, evening meals will not be served here at the Academy. There are several restaurants in the area and you will be on your own for this meal.**

Gambling of any kind is forbidden.

Sexual harassment and lewd or lascivious conduct will not be tolerated.

Profane language in common areas where it may be overheard by children and visitors will be deemed conduct unbecoming an officer.

While officers are driving to and from the Indiana Law Enforcement Academy, they should remember to lead by example and drive responsibly. This assists the ILEA and all of law enforcement in establishing a good rapport with the families in our community.

In-service students are asked to set a positive and professional example for student officers attending basic classes.

NOTE: For complete information on Academy rules and regulations, refer to the Student Handbook on your dormitory desk. If you are a commuter student, copies of the handbook are on file in the Learning Resources Center and at the Quartermaster window.
